BY TELEGRAPH.

[FROM OUR SUNDAY'S EDITION.]

WASHINGTON.

Washington, January 18.—Gen. Gillem was before the Reconstruction Committee again to day. He was examined relative to the disturbances alleged to have taken place in the seven countries of Mindesippi carried by the opponents of the Constitution. He testified substantially that there was some disturbance there during the election, but not emough to materially affect the general result. He admitted that probably, in some cases, the negroes remained away from the polis through intimidation, but he did not think they abscuted themselves in any considerable numbers; or that if

A resolution was passed asking Con-gress for an amendment to the Constitu-tion putting beyond cavil the right of every citizen to vote, irrespective or race, color or condition, and also urging upor Congress the necessity for further legilation to reifress the outrage of expelling Nos. 270 Second Street, and 450 Main St., the colored members from the Georgia along the Upper Missour. Legislature, and to restore the rights of A Denver distants and a colored members from the Georgia along the Upper Missour.

rrespondence Cincinnati Enquirer.] WASHINGTON, January 8, 1869 .- The in the chair and twenty-one members for assembling of Corgress flads Sanators and members still at sea on the great question of national finances. They are no more nearly agreed now than they were when they adjourned, in plundering confusion and ignorant doubts, be-fore the holidays. The Radical Senators attempted to harmonize their views in a caucus on Thursday, but they found they could do nothing but talk. The gab-god By Mr. McCall: A bill proposing amendments to the constitution in regard to the franchise law, extending the right of suffrage to all males over twenty-one years of age. [We give the text of this bill elsewhere.]

Trued supreme, and at the end of their conference they were no nearer to a solution of the problem than at its commencement. They are all in favor of what they are pleased to term an early resumption of specie payments, but an all-wise Providence has endowed them very largely with that improduce the company is his bill elsewhere.] very largely with that impudent ego-Passed first reading and referred to tism which is such a strong character-

> Such is, briefly told, the condition of Such is, briefly told, the condition of the financial question in Congress at the present time. There is a very strong disposition to force an early return to specie payments, but there are so many men smbillous of leadership in the mathematical payments. The mathematical payments are so many men smbillous of leadership in the mathematical payments. The mathematical payments are so many men smbillous of leadership in the mathematical payments. ter, and determined to oppose all plans but their own, that they will not be able o enact any legi-lation on the subject, at least during the present session. Mor-ton has one policy, Sherman has an-other, Fessendan has another, and even the carpet baggers are expected to follow suit and swell the volume. In fact, one of the latter gentlemen has already whispered to his loyal friends that he will soon astonish the country with a 'plan" which will far transcend any yet presented in the brilliancy of its conception and its entire feasibility. I trust I shall not be deemed disrespectful if I say that the idea of a carpet-bagger presenting a measure of this kind calls to mind a very admirable painting I once saw, of an impecunious gentleman in the act of being ejected from a garret lodging for non-payment of his week's rent, while from his coat-tail pocket pro-truded a gigantic plan for the liquidation

numbered six memoars, and represented seven different religious creeds. Such, happily for the country, is about the condition of the Republican happy famiiy at the present time on the subject of specie payments, and how to bring them So, let us thank our stars for this diversity of opinion, and acknowledge that in the multitude of counsel

"dead beats," and have carried their e curses, both loud and deep, heaped upon the head of one of the "gentlemen from Lou siana" for some impertinence, the insurance companies to be charted where stand. I inferred, however, that he had been giving some sort of practical illustration to the poetic truism, that " fools rush in where angels fear to tread "—
that he had been busying himself to do
or say something which modesty and
good breeding would have left to an old and experienced member of the House. The complaints on this score are multiplying, and the consequent disgust is increasing every day, and it will be strange if, before the close of the session, we do not witness a few undisguised sbullitions of weath on the subject from By request of Mr. Wissner, Senate bill some of the object Radical members-The wonder is that they have refrained so long from asserting their claims to political leadership and legislative precedence. And when Mr Blogham, and Mr. Builer, and Mr. Washburne, sneer contemptuously at them, and affect a state of wonderment at their impudence on the floor of the House, they seem to forget that greater impudence which was necessary to one. ble them to force themselves upon con-stituencies who neither knew nor wanted ers, Smith, Underwood, Wissner, Wyatt them. So far from discouraging the "Southern delegations" in their delegations "In their delegations and felt in the national councils, I feel like patting them on the back and telling them to proceed with increased vigor. And whea the The House was called to order at 10 Hadicals, who legislated them into exa.ma, Speaker Richards presiding and istence, object to their little freaks of sixty-six members present. incident in a body which this Congress very strikingly resembles in many re-spects—the revolutionary Assembly of France. It is related that, when the Abbe Sieyes objected to the confiscation of church property which was proposed in one of the debates, Mirabeau turned to him and said: "My dear Abbe, you have loosed the buil. Do you think he will not use his horns ?" The logic was unanswerable. And so with Congress and the carpet-baggers. They have not only loosed, but created a set of the vilest
